

ROSE CARNIVAL FOR STATE FAIR PROPOSED BY C. OF C.

The Chamber of Commerce, with "co-operation" as their keynote, recently held a meeting and decided that the state fair next year should be bigger and better than ever. Several innovations were projected.

You'll enjoy hearing the new January Victor records

The New Victor Records for January are just out—and we're right on hand with the complete list. If there are any particular numbers you'd like to hear, we'll gladly play them for you.

A Few of the New Arrivals.

87221—The Rosary, sung by Ernestine Schumann-Heink, contralto, 15 inch, \$2.00. In order to make her interpretation of this Nevin song available to a larger circle, Mmes. Schumann-Heink has made this 10-inch record. One of her most beautiful songs.

87208—The Monstons, sung in English by Alma Gluck, soprano. Accompanied by her husband, Efrim Zimbalist. This peculiar number, written by Peter Cornelius, consists of eighty notes all sung on the same tone. An interesting exhibition of artistic skill. Ten inch Red Seal record, \$2.00.

74457—Love's Nocturne, a charming song by F. E. Weatherly and Hope Temple, sung by George Hamlin, tenor, with harp and cello obligato. This is a twelve inch Red Seal record, \$1.50.

64480—Noche Serena (Calm Night), a Mexican folk song, sung by Emilio de Gorgozza, baritone, Ten inch Red Seal record, \$1.00.

64520—Tambourin, played by Maud Powell, violinist. This eighteenth century gem, written by Jean Marie Leclair, is played with delicacy and grace by Madame Powell. A ten inch Red Seal record at \$1.25.

35500—One of the new January dance records. Angel's Dream Waltz and Nightingale Waltz. Both played by Conway's Band. 12 inch record, \$1.25.

17782—First offering from the Imperial Quartette of Chicago, recently engaged by the Victor. My Ain Folk and the Perfect Day, beautifully sung by this fine quartette. Ten inch, double faced record at 75c.

Also two entrancing new Hawaiian Vocal and Instrumental Records. Both are double-faced ten inch records at 75c.

Two more old-time songs by Samuel Grander are another feature of the January list. Also two lively whistling and singing duets.

Two new Nat Willis records, and two specialties by Golden and Marlowe are the newest contributions in the "comics" department. Two splendid pop song medleys, 35510, including parts from fourteen very well known hymns will prove a very popular record. 12 in., \$1.25.

And fifty other attractive and well-chosen selections go to make the January list one of the best ever offered by the Victor.

We invite you to come in and listen to the records in which you may be interested.

The Berryhill Co.

MEETINGS DRAW LARGE CROWDS

Rev. Harker Delivers Some Fine Sermons and Music Is Good

The protracted meetings that are being held at the First Methodist church are drawing unusually large crowds, and much interest is being displayed in the revival. Mr. Garth, who has charge of the music, has proven a great drawing card, and words of praise for his music is heard quite often. Rev. Harker is delivering some excellent sermons.

Regular services will begin every evening at 7:30 except Saturday evening. Before the preaching begins, Mr. Garth entertains the congregation with songs from his large and well trained chorus. It is his desire to double the size of the chorus, and all young people who wish to enter are gladly welcomed.

WARD BUILDING FOR ACRE CITY

It Is Impossible to Create a School District for That Neighborhood

Residents of Acre City cannot have a school district. The best they can hope for in the way of an educational institution is a ward building and that proposition must be made to the trustees of the Acre City school district. County Superintendent of Schools J. A. Higgins made this clear to the people of that section who yesterday petitioned him for a school district.

"Before a new district can be established in a territory already organized as a school district, there must be 250 school census children. All that can be done in the Acre City case is to apply to the Board of Trustees for a ward building."

AGED MAN FOUND DEAD ON DESERT

Party Including Local Man Find Body of Old Prospector Dead Three Days

After having wandered over the desert for the past thirty years, always in search of gold, and always in want of an adequate supply of water, Dave O'Neil, known to the majority of mining men of the state, suddenly found himself in the midst of a too beautiful supply of water, and along towards the last of the old year, the heavy rains in the neighborhood of Pangua Wells finally got the best of him and killed him.

On January 2nd, Bill Tremaine, who has been prospecting in that neighborhood for the past six months, drove up to a spring four miles from the desert, and after an examination of the old man, whose name was Dave O'Neil, he found him dead. Tremaine notified his party, which included Dr. Lorenzo Boidie. Dr. Boidie arrived at the scene of the death, and after an examination pronounced the aged man's death due to cold and exposure.

Dr. Boidie wrote out a statement of the death on the spot and had all those present sign it, after which they formed themselves into a burial party and dug a grave where the body had been found.

O'Neil had been out for some time on this trip and had a good income fit with him. He had about ten dollars in his possession, but other than that was possessed of no valuables.

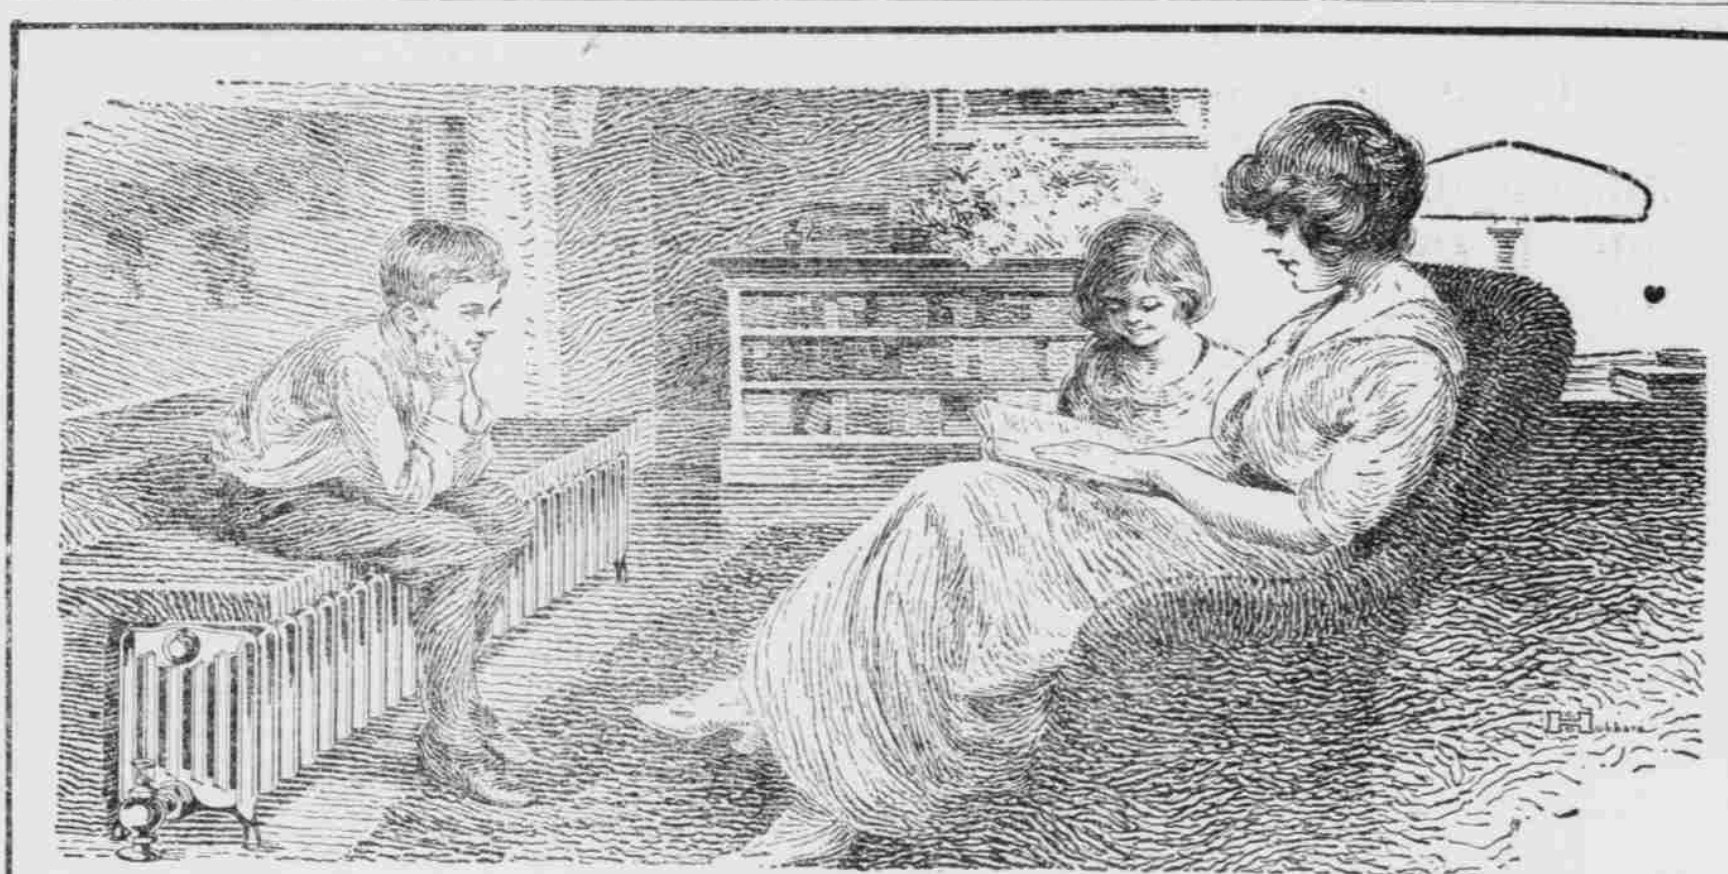

SMALL APARTMENT HOUSE IS BURNED

A three-apartment, frame house on East Monroe street between Fourteenth and Fifteenth streets, was totally destroyed yesterday afternoon by a fire originating from portable lantern. When the alarm was sounded which brought out Companies Nos. 1 and 2, the flames were mounting in the air and a cloud of smoke was rolling skyward. A woman who was engaged in household duties in one of the apartments heard the cracking of the flames only a minute before they broke into her part of the house.

The building was owned and occupied in part by Sebastian Blum, one apartment was occupied by a family named Davis, while the third was vacant. The loss is estimated at from \$1,800 to \$2,000.

FATHER ALWAYS FOR A TREE
A boy may outgrow the need for a Christmas tree, but his father never does.—From the Washington Star.

was experienced in this city during the month of December was 28 degrees above zero, and the highest temperature reached was 78 degrees. The low figure came on December 28 and the warmest day recorded was on the first day of the month. There were fourteen days that ran the bell for 100 per cent sunshine and only three days in the month on which the sun did not shine at all during the day. The total precipitation for the month was 2.4 inches, the bulk of this coming on the last two days of the month. The warmest day in the month, at which time the mercury reached 78, was the warmest day for the month that has occurred for the past 21 years.

No tales are told where homes are cold

There is no contentment or delight in cold or clammy rooms. The ambition of the young is not awakened by stories of great lives and noble deeds where the little bodies are uncomfortable and have to be hustled off to bed with a quick "good night."

AMERICAN & IDEAL RADIATORS & BOILERS

and coal gases are carried into rooms to menace health or to injure furnishings. Mothers are freed from drudgery to devote more time to pleasanter tasks.

WRONG PARTIES MADE DEFENDANTS

The Case of Young vs. Campbell et al is Before a Jury

The \$12,000 damage suit brought by C. D. Young against Daniel Campbell, Hugh Campbell and Daniel Francis, was dismissed yesterday on request of the plaintiff's attorney who after calling three or four witnesses to the stand, discovered they had brought suit against the wrong parties.

Judge Layman granted the dismissal and papers were then served on Daniel Campbell, Hugh Campbell and John Campbell. It is quite probable that the case, which is the outcome of a motor-cycle automobile collision, will not be heard before early spring, since the calendar has been set until the end of February.

PREFERS MARRIAGE TO P. H. S. DIPLOMA

Senior in Local High School Quits and Gets Married Last of Year

Miss Clara H. Whitfield, a senior in the Phoenix High School and formerly of Austin, Texas, was married December 29 to Mr. Alfred W. Christensen. The marriage ceremony was performed by Rev. Harker of the First Methodist church, only immediate relatives being present.

Miss Whitfield, in the short time she has been in the city, has made hosts of friends. She is a beautiful brunette and besides her high school education she has had training in a business course, as well as nursing. Mr. Christensen is a first-class musician, being a first chair man in the First Regiment band on the trip to the World's Fair at El Paso. He has

ROSELAND MAKES A LARGE STATEMENT

Manager of Local Goodyear Branch Wants to Change Opinions

"Comparatively few car owners realize what a 'business' within a business" the manufacturers and sale of tire savers and repair materials has come to be," says Mr. Roseland, branch manager, the Goodyear Tire and Rubber Company.

"One might imagine that tire companies would be pleased to have tires wear out as quickly as possible, so that new purchases would be necessary. However, some companies may view that, Goodyear's policy is built to apply for years ahead, and what we want is tire mileage and pleased customers."

"For the tire user we repeat the old saying 'A stitch in time saves nine.' The principle is old as the hills, though the tire business may be comparatively new."

"Insignificant repairs, if made in time, often mean thousands of miles of service. Repair men may have to be consulted for some repairs, but tire users can do a surprising amount of good themselves, by watching their tires, and in some cases making the actual repairs themselves."

"There are outside and inside protection patches for the car owner—for emergency use, any, on the road—and one of our improvements that we are especially proud of is a Goodyear Tire Saver Kit, that contains a number of first-aid appliances, put up neatly in a canvas roll."

"We rejoice more over one car owner whose tires run 19 to 22,000 miles than over a hundred to whom we may sell tires often, because their lack of tire care cost many miles they were entitled to. It is pleasant to note, too,

SPORTING NEWS

CUBS ABOUT TO BE SOLD TO SINGLAI

Deal Too Big to Swing in Short Time, But Is Real Thing

[Republican A. P. Leased Wire]
CINCINNATI, O., Jan. 4.—The sale by Charles P. Taft, of the Chicago National League club to Harry F. Sinclair, the Oklahoma oil magnate, appeared assured tonight. It is expected that final details will be arranged at a meeting of Charles Weeghman, former president of the Chicago Federals, Taft and Sinclair here tomorrow.

Mr. Sinclair was decidedly optimistic as to the outcome of the deal for the Cubs after a conference today with Mr. Taft. He intimated that the only reasons the deal was not completed today were that it required considerable time to swing a deal of this caliber, and that Mr. Weeghman was not present.

GRAMMAR SCHOOLS IN A BASEBALL LEAGUE

Adams, Osborn and Monroe Teams to Play Saturday Games

The Phoenix Grammar schools will start the baseball season off in good shape. A series of five games has been scheduled between Adams, Osborn and Monroe baseball teams, to be played on Saturdays of each week until the series is finished. The winning team will receive a beautiful hat.

Each year the tire users are more alive to the possibilities and benefits of tire care—and tire savers are easier to sell.

A No. 4-19-WIDEAL Boiler and 300 sq. ft. of 38-in. AMERICAN Radiators, costing the owner \$14.50, were used to heat this cottage. At this price the goods can be bought of any reputable, competent fitter. This did not include costs of labor, pipe, valves, freight, etc., which vary according to climatic and other conditions.

TELEPHONE BOWLING MATCH

This evening, the telephone meet between the Yavapai Club of Prescott and the local Y takes place. Santa Fe Brown captains the locals. His team is made up of Shrigley, Barnett, Lynn and Williams. The Yavapai Club is one of the strong organizations of the state and is playing its strongest men. After each game the scores will be telephoned to and from Prescott. The highest number of pins for the three games wins the match.

A week from Saturday night a match is arranged with Douglas, by telegraph. The Douglas Y. M. C. A. has the largest number of bowlers in the state and are planning to give Phoenix a good thrashing.

STOP INVENTORY SALE

[Republican A. P. Leased Wire]
BERLIN (Via London), Jan. 4.—The inventory sales, which at this season of the year usually crowd the streets of the shopping districts with bargain hunters, have been prematurely ended this year by an order of the military authorities forbidding during January all kinds of special sales.

The prohibition also affects advertisements of reduced prices on wares and knit goods and clothing made of them.

PROHIBITS AT ST. PAUL

[Republican A. P. Leased Wire]
ST. PAUL, Minn., Jan. 4.—The National Prohibition convention will be held at the Auditorium here June 19 next instead of at Minneapolis, the place originally set by the national executive committee at Chicago. This was announced tonight by W. G. Calderwood, member of the committee, who said the change was made because of lack of satisfactory convention hall in Minneapolis.
